

The Surrettts

Lima, Peru

May, 2008

It is hard to believe that my last year as a full-time teacher here in Pennsylvania is almost over. Graduation is Friday, May 30. While I will miss the opportunities that I have for ministry here at the school, I am looking forward to other areas of ministry that the Lord is providing.

Over these last few months in addition to our full regular schedule and responsibilities, we have had the privilege to visit several churches to present our ministry. We have been able to make new friends and experience God's wonderful provision and care through His people.

We have also been busy preparing to take another team with us to Lima this summer from June 7th-24th. There are 11 of us this year. We are currently scheduled to hold meetings in many schools and churches, help with a couple of work projects and run a Leadership Conference. Please pray for us as we finish making all the necessary arrangements such as meals, transportation and itinerary. You could also pray for our practices as we finish preparing the songs, skits, and other activities. During the trip, I will be sending regular email updates and updating our website (www.surrett.org) with information about the trip as well as specific prayer requests.

We do also covet your prayers as we contact more churches to fill-in our schedule. We have a few meetings lined up between now and the end of July and then again next year. We need to be able to fill-in the second half of this year.

Thank you for your support as we seek to serve our Lord.

Jeff, Debbie, JD, Amy, & Julia Surrett*
